Greetings, Prayer Partners and supporting churches!

We hope everyone had a Merry Christmas and pray you have a Happy New Year. Thank you for your prayers! We prayed for the Lord to allow open doors for meetings, and He answered our prayers!

The kids were excited to begin traveling more and making new friends.

October was a full schedule. Praise the Lord! We had meetings for every Sunday and some weekdays. God allowed us to be in churches in Jacksonville, Fort Pierce, Century, and Baldwin, Florida, as well as in Valdosta, Georgia. Rob was thankful for the many opportunities to fill pulpits, even while pastors were ill. During these trips, Lynnell was also able to teach at two of the church's Junior Churches.

We were able to help at two Harvest Festivals. Three teenagers were saved during one of those festivals. God is good!

While on our missionary trail, we were able to stop in and surprise Bryce and Grace at Pensacola Christian College. We waited outside the building where their last class for the day was located. The kids were excited to spend three hours with their siblings eating at the dining facility, going for coffee/hot cocoa, and having fun at the activities center.

Our November meetings included being at churches in Deland, Bradenton, and Tampa, Florida. The Lord has blessed in the ways we have been able to get appointments. One appointment was scheduled because the pastor thought he was

calling a business but called our number instead. During this month, we were able to catch up with some old friends and make some new ones.

In December, we didn't have as many meetings because of all the activities at churches, but the Lord blessed. Rob paid a visit to another church in Jacksonville, then we journeyed to Tampa for another meeting. There, we went to a living nativity at a church and fellowshiped with some friends. While we were over in Century, Florida for a meeting, we were able to pick up the twins for a two-week vacation from PCC. They must be back January 2nd to start work again on the 3rd.

The Lord blessed when we had a tire go flat. It did so while we were parked in a well-lit area. The stem valve was found to be faulty and was replaced at no charge. We also had two recalls on the van which we were able to get fixed between meetings.

Rob was invited to attend a preachers' fellowship hosted by our mission board. It gave him the time to serve, hear good preaching and fellowship with the board staff and local pastors. We also attended a two-day "Marriage Refresh" hosted by our parents' church. It provided us with skills for our marriage and ideas to be able to share with the military couples in our ministry.

The Lord has blessed us with the opportunity to meet and share our experiences and the Lord's blessings with some military members and spouses. We are thankful for these opportunities to minister in different areas while we travel.

#### Praises:

Two more churches partnered with us for support & others for much needed prayer. We are currently at 11% of our needed support!

#### Prayer Requests:

Safety while traveling.

Good health.

Meetings to fill the rest of the year's schedule.

Rob's VA rating to be received.

In Christ,

Rob, Lynnell, Bryce, Grace, Nathanael, Brendan, Faith, Nolan, Hope, and Ryan Dodson
